RE: Agenda Item – Health Department, 2014 NACCHO Challenge Award

Attached you will find documentation and a resolution from Health Department Director, William Ridella, to approve the Macomb County Health Department (MCHD) Medical Reserve Corps (MRC) new 2014 Challenge Award from the National Association of County and City Health Officials (NACCHO) for $20,000.

MCHD has received the 2014 NACCHO MRC Challenge Award. This award will be used to create the Youth Emergency Preparedness Outreach initiative in Macomb County. Through partnerships with Macomb County schools and the Health Occupation Students of America (HOSA), MCHD will present public health emergency preparedness training and education to fifth grade students to increase preparedness of students and families, and increase overall community resiliency in Macomb County.

The Executive Office respectfully submits this agenda item for the Commission’s consideration and recommends approval of the 2014 NACCHO Challenge Award as stated above.

Health Department
December 20th, 2013

Dear Albert Lorenzo from Unit 2369 - County of Macomb

The National Association of County and City Health Officials (NACCHO) is pleased to inform you that your application for a 2013-2014 Challenge Award was approved for $20,000.00. With over 200 Challenge Award applications submitted, your Challenge Award application exhibited an innovative practice and impressed reviewers.

By accepting the Challenge Award funding, you are agreeing to:

- Use your Challenge Award funds as described in your award application and budget. Ensure that your budget is expended in accordance with all applicable guidelines, laws and executive orders. Monies under this award shall not be used for Food & Beverages, incentives/give-away/swag or promotional items.
- Update your unit’s profile on the Division of Civilian Volunteer Medical Reserve Corps (DCVMRC) website, www.medicalreservecorps.gov, (including contact information, volunteer numbers, unit activities, and additional unit information) quarterly in alignment with the Federal fiscal calendar (Q1: October 1 - December 31, Q2: January 1 - March 31, Q3: April 1 - June 30 and Q4: July 1 - September 30).
- Participate in a Technical Assistance (TA) Assessments, when requested to do so by a MRC Regional Coordinator.
- Participate in award spending surveys, when requested to do so by NACCHO.
- Use Challenge Award funds for only approved MRC related activities that assist in the development of the unit’s capacity and sustainability and/or promote community resiliency as specified in the funding application. If future changes are required you are to submit proposed budget modifications to NACCHO for approval. Include your budget as it was submitted, an explanation of where you are moving money from/to and a date by which you will execute the work as you have proposed in your revision.
- Attend the MRC Challenge Awardee Kickoff meeting at the 2014 Preparedness Summit April 1-4 in Atlanta, GA. Attendance to this meeting is mandatory for all Challenge Awardees.
- Participate in special MRC projects (e.g., Network Profile Study, evaluations, surveys, etc.).
- Provide periodic project reports and updates to NACCHO in a manner and frequency defined by NACCHO.

Please see http://mrcnaccho.org for guidance on using the MRC Award funding. Please keep in mind that:

- Challenge Award funding must be spent according to the budget description and line item budget submitted with your signed contracts. Any changes to your proposed budget must be approved by NACCHO first. All budget modification requests must be emailed to nrc@naccho.org using the prescribed NACCHO budget forms. You should submit a copy of your initial budget, a narrative with a brief explanation of where you are moving money from/to and a justification for doing so. We strongly recommend you use the "read receipt" feature and keep copies of all communications in your funding file.

We look forward to your execution of the innovative concepts and strategies presented in your application. We strongly recommend that you capture information on how your Challenge Award activities translate into building your unit’s capacity or enhancing your community’s resiliency through quantifiable metrics and measures and report the information quarterly as required to the DCVMRC. If you have any questions, please contact NACCHO MRC staff at mrc@naccho.org.

Thank you for your support and commitment to the Medical Reserve Corps mission.

Sincerely,

A Chevelle Glyph, MPH, CPM

RE: Agenda Item – Health Department, Detroit Metro Spice Learning Collaborative Budget Amendment

Attached you will find documentation and a resolution from Health Department Director, William Ridella, to increase revenues and expenses in the FY 2013/14 Health Grant Fund through acceptance of new funding in the amount of $5,000 from the Michigan Department of Community Health for the Detroit Metro Spice Learning Collaborative.

The Detroit Metro Spice Learning Collaborative will enable the Macomb County Health Department to address the problem of elevated lead levels in children due to imported non-paint items that could contain lead, such as food, religious items, cosmetics and home remedies commonly used in certain ethnic cultures.

The Executive Office respectfully submits this agenda item for the Commission's consideration and recommends approval of the increase in revenues and expenses for the FY 2013/14 Health Grant Fund as stated above.

RE:  Agenda Item – Health Department, Oral Health Coalition Budget Amendment

Attached you will find documentation and a resolution from Health Department Director, William Ridella, to increase revenues and expenses in the Health Grant Calendar Year Fund through acceptance of new funding in the amount of $2,000 from the Michigan Oral Health Coalition for supporting an Oral Health Coalition in Macomb County.

The purpose of the funding is to support the formation of a Macomb County Oral Health Coalition to improve the oral health of residents in the county. The goal of the coalition will be to create a work plan to build a strong network of dental care access points for residents, identify and close gaps in dental services and expand dental care outreach and education to residents.

The Executive Office respectfully submits this agenda item for the Commission's consideration and recommends approval of the increase in revenues and expenses for the Health Grant Calendar Year Fund as stated above.

Dear Mr. Ridella,

Thank you for submitting an application to the Michigan Oral Health Coalition for the 2014 Community Mini-Grant Program. We extend our heartfelt gratitude for the work that was demonstrated in your proposal. It is my pleasure to announce that your organization has been selected as our continuing Reinventing Oral Health in Michigan partners.

We are honored to have been the opportunity to learn about your plans as you continue to mobilize key stakeholders, and we are pleased to partner with you to address the continued oral health challenges experienced across the state and country. We would like to remind you of some important upcoming dates as we begin to launch the Initiative.

January 7-9: The inaugural Reinventing Oral Health in Michigan Grantee Gathering event is an exciting and critical step as we work together to launch the Initiative. Two project leaders are needed to participate in the event to be held at the Comfort Inn and Suites, Mount Pleasant. Room reservations will be provided complimentary by the Coalition for the evenings of Jan. 6th through Jan. 8th. Please contact Patti Ulrich, Community Development Specialist, (pulrich@mohc.org) with the names of your project leaders to participate and their hotel needs by noon on Monday, December 30th.

March 11: Legislative Action Day

June 12-13: Two project leaders from each grantee organization will also attend the 2014 Michigan Oral Health Conference in East Lansing.

Congratulations, and thank you for being a part of this movement.

Sincerely,

A Proclamation Recognizing March For Meals – A National Annual Celebration of Meals on Wheels Programs And The Seniors They Serve

Commissioner Toni Moceri on Behalf of the Board of Commissioners,
Offer the Following Proclamation:

WHEREAS, the Meals On Wheels Association of America has designated the month of March to mobilize hundreds of local Meals on Wheels programs across the country to reach out to their communities and build the support that will sustain them all year long; and

WHEREAS, 2014 is the 12th annual March for Meals campaign and this year has confirmed its place as the biggest and most united celebration yet with more than 300 community celebrations registered across the country, including Macomb County; and

WHEREAS, the third week in March – Monday, March 17 through Friday, March 21 – has been designated for all members of the community to help to raise awareness for senior hunger and spark national attention to the Meals on Wheels program; and

WHEREAS, the first Meals on Wheels program in the United States began in 1954 in Philadelphia, PA to serve aging neighbors who had grown unable to shop for and prepare their own food and has grown into a national network and foundational social service that support communities all across America; and

WHEREAS, according to the Meals on Wheels Association of America, nearly one in six seniors in America – a total of 8.8 million – may not know when they will have their next meal or where it will come from; and

WHEREAS, the number of hungry seniors is predicted to double by the year 2050 due to the rapid increase in life expectancy, the escalating costs of food and transportation and the remaining impacts of a recession that was poorly timed for people nearing or already in their retirement years; and

WHEREAS, Meals on Wheels programs are successfully reaching 2.5 million hungry and isolated seniors today but another 6.3 million are in need; and

WHEREAS, this program enables seniors to stay in their own homes to remain happier, extend their independence and stay connected to the communities and surroundings that provide them comfort which results in seniors staying out of expensive nursing facilities and hospitals – an outcome that saves taxpayers billions of dollars in Medicaid expenses alone; and
WHEREAS, the Meals of Wheels program in Macomb County began in 1974 where volunteers delivered meals Monday through Friday and on major holidays, and continues to be a major social service for Macomb County residents to this day; and

WHEREAS, in 2012, in Macomb County, 298,155 meals were delivered to 2,853 homebound senior citizens; and 41,902 second meals were delivered to senior citizens identified as most at health and nutritional risk; and 26,012 shelf-stable emergency meals were provided to home delivered meal recipients; and 90% of all routes were operated by community volunteers; 1,170 volunteers donated 20,600 volunteer hours toward the delivery of meals; and

WHEREAS, there is a need in Macomb County for additional Meals of Wheels volunteers since many of the existing volunteers are senior citizens themselves.

NOW THEREFORE BE IT RESOLVED by the Macomb County Board of Commissioners, speaking for and on behalf of all county citizens as follows:

One

THAT BY THESE PRESENTS, the Macomb County Board of Commissioners hereby publicly recognizes March For Meals and encourages the residents of Macomb County to support the Macomb County Meals on Wheels program by volunteering to deliver meals and/or provide donation.

Two

BE IT FURTHER RESOLVED that soft copies of this resolution be provided to all Macomb County Federal Delegation, Macomb County State Legislators, Macomb County Elected Officials, Macomb County Senior Services Director Katherine Benford, AAA 1-B Board of Directors Chair Amin Irving, AAA 1-B CEO Tina Marzolf, Michigan Association of Counties, and Meals On Wheels Association of America.
